Coloured Border Options

You can add a coloured film of your choice to any of the above designs!

To see what your chosen design will look like with a border design added, simply place this sheet over the bevelled or coloured fanlights designs of your choice.

Please remember if you are adding one of our border designs to a colour or bevelled fanlight please add 60mm to the width and 60mm to the height of the minimum unit size which are shown underneath all coloured and bevelled fanlight designs.

All above border designs are manufactured in 6mm silver as standard but can be manufactured in antique, gold or ebony if preferred.
